

LOVE IS IN THE
DETAIL

MR KUU

MR KUU DOES NOT NEED THE SPECTACULAR OR THE DRAMATIC TO CREATE SOMETHING BEAUTIFUL. WITH EXTREME CLOSE UP PHOTOGRAPHY OF UNREMARKABLE DETAILS AS A BACKDROP FOR HIS MODIFIED MINIATURE FIGURES OR MESSAGES, HE PRESENTS A UNIQUE VISION OF THE WORLD AROUND US, TRANSFORMING THE FAMILIAR INTO THE FANTASTIC. . .

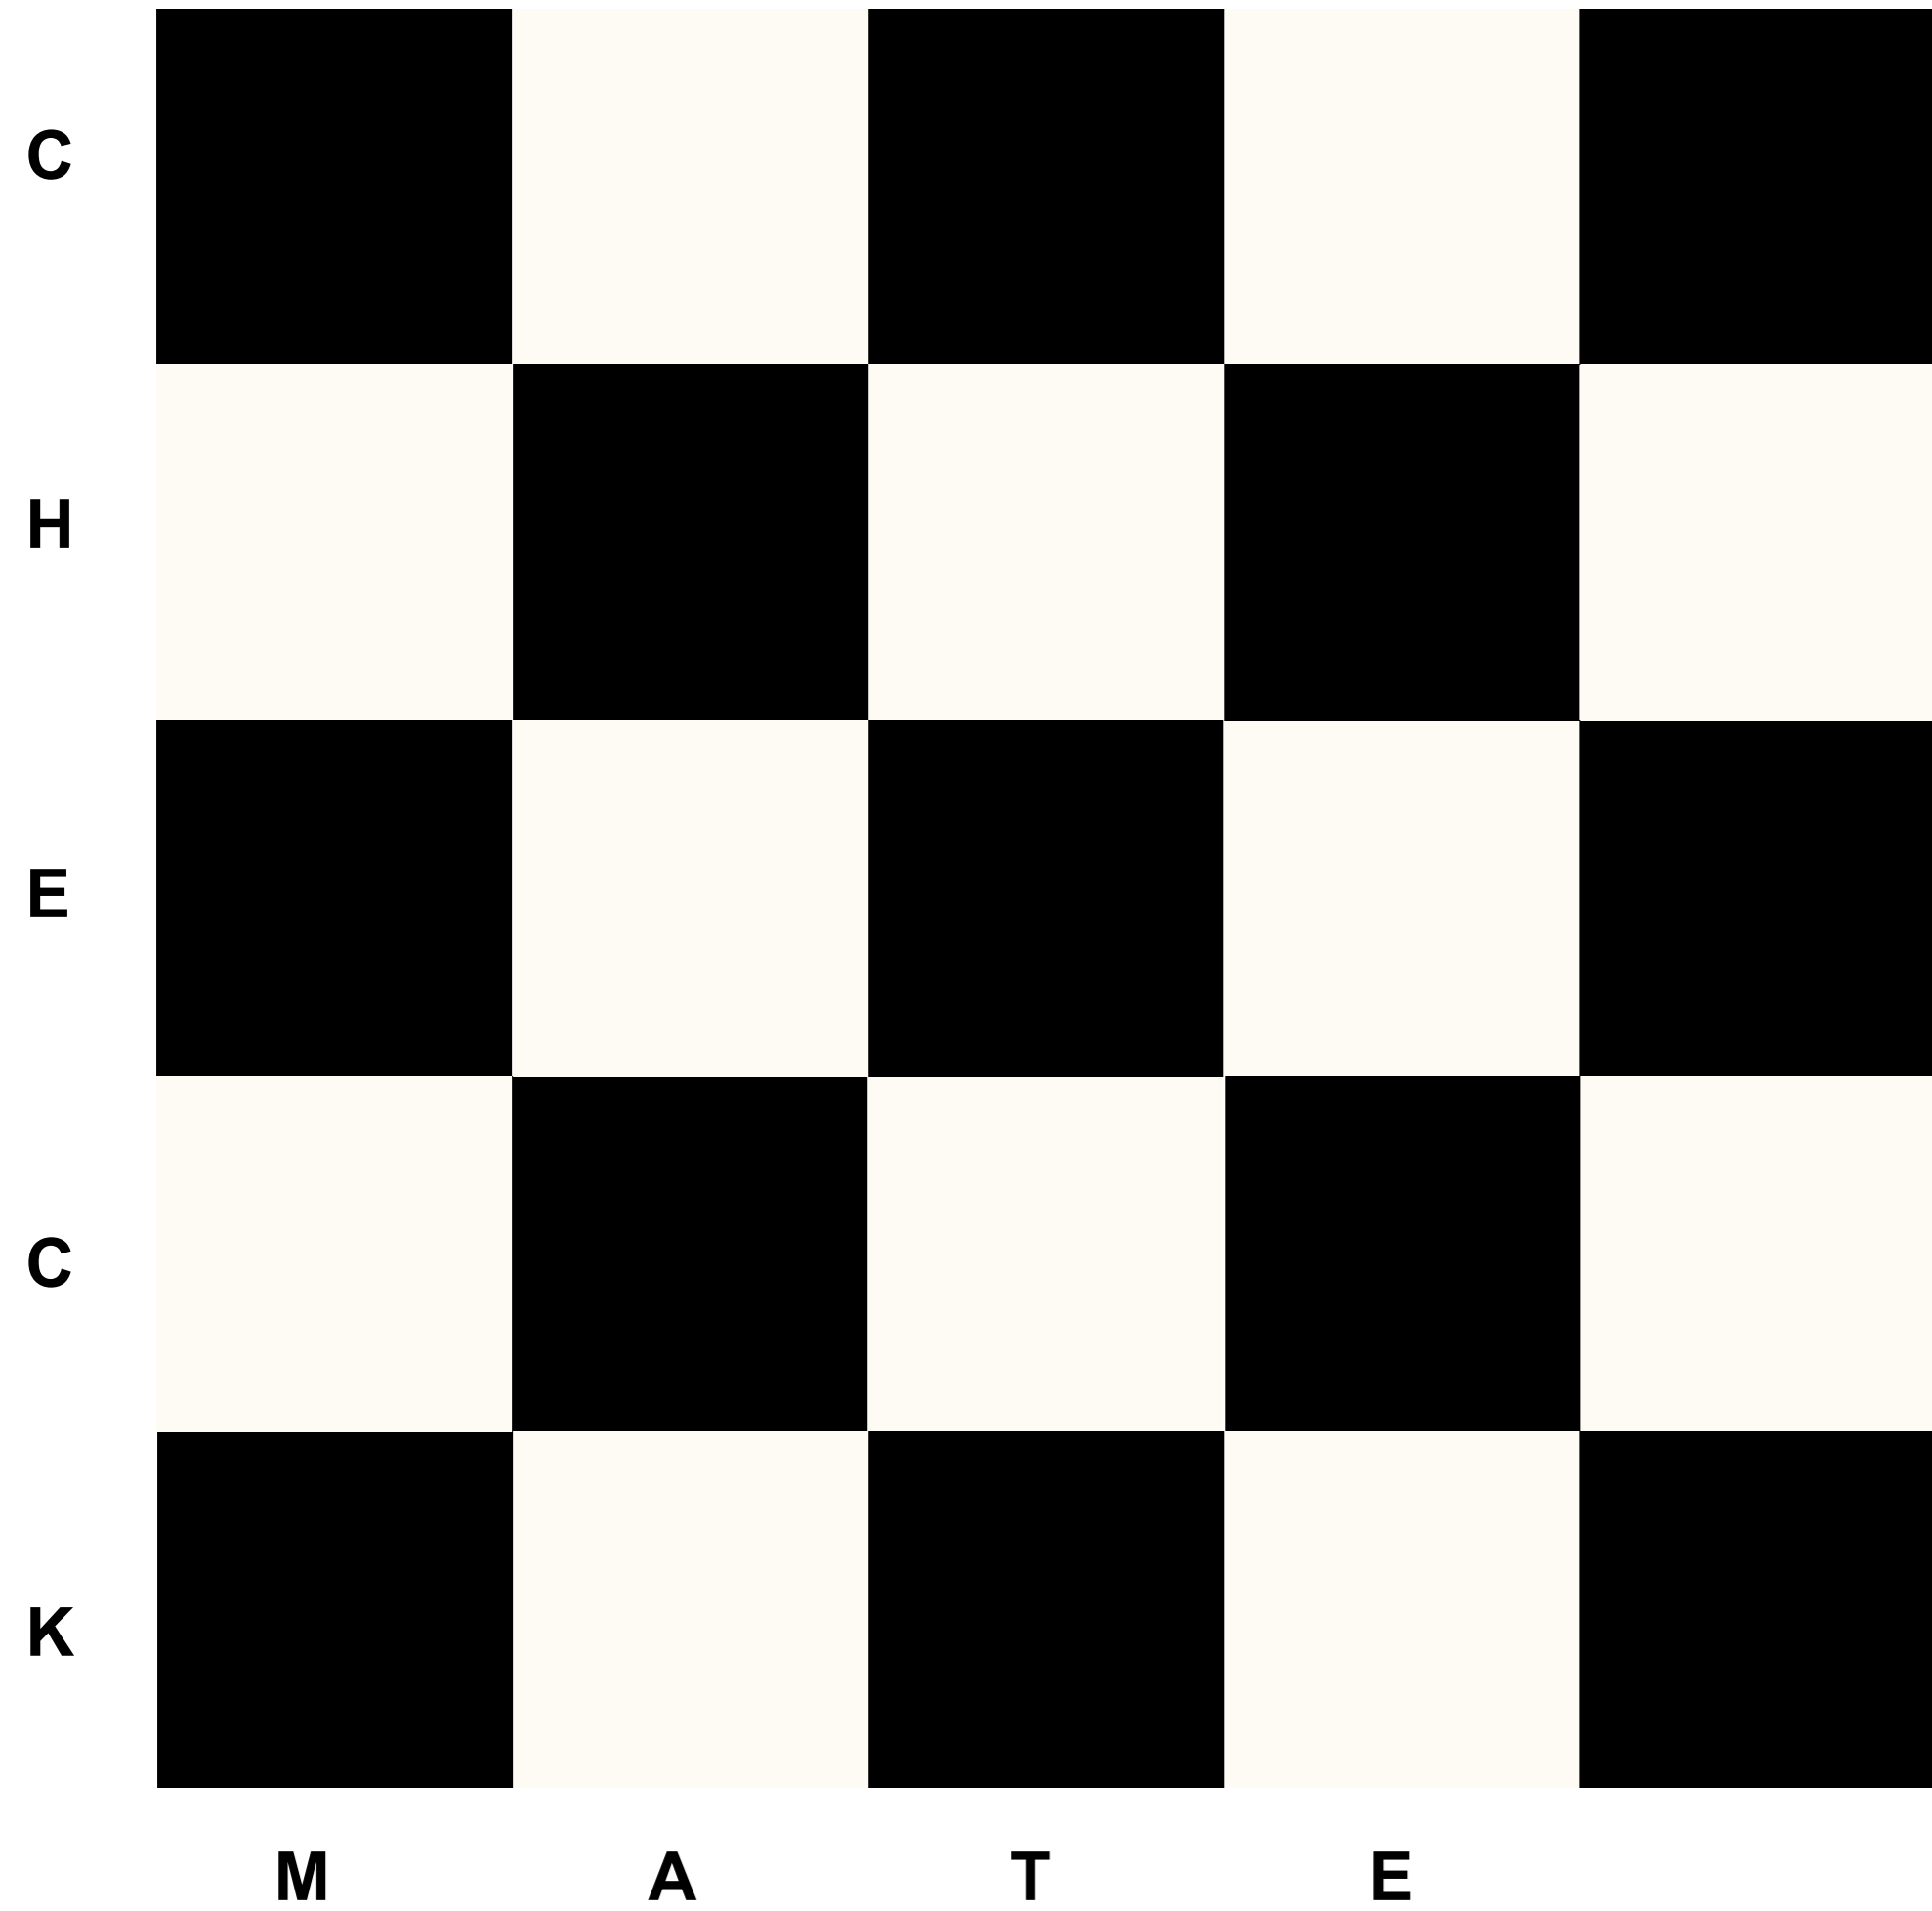

MR KUU PRESENTS LIFE AS A MICROCOSM. HIS LOCATIONS MAY BE CAREFULLY SELECTED OR STUMBLED UPON BY CHANCE; HIS WITTY AND DISTINCTIVE CONCEPTS ARE SOMETIMES PRECISELY PLANNED, SOMETIMES INSPIRED IN A SECOND, BUT HIS PHOTOGRAPHY IS ALWAYS BEAUTIFUL, CONSIDERED AND AUTHENTIC. THE MODIFIED MINIATURE FIGURES WHICH ARE OFTEN PRESENT BRING A STORY AND A HUMANITY TO THEIR BACKDROP, AND THE LOVE AND CARE HE SHOWERS ON EVERY DETAIL RENDERS THE UNREMARKED REMARKABLE.

As a child **Mr Kuu** played chess long into the dark Nordic nights with his father, so the chess board for him represents the bonds of family and relationships. What better location could there be in which to declare your love?

PAPER EDITION OF 195 16" x 24" £395

A keen collector of vinyl, **Mr Kuu** uses it here to create a nostalgic tribute to his first dance with his wife on their wedding day, spinning around on a floor that felt as if it too, was spinning. Sadly, he is not prepared to tell us what song is playing – “it’s up to you” he says!

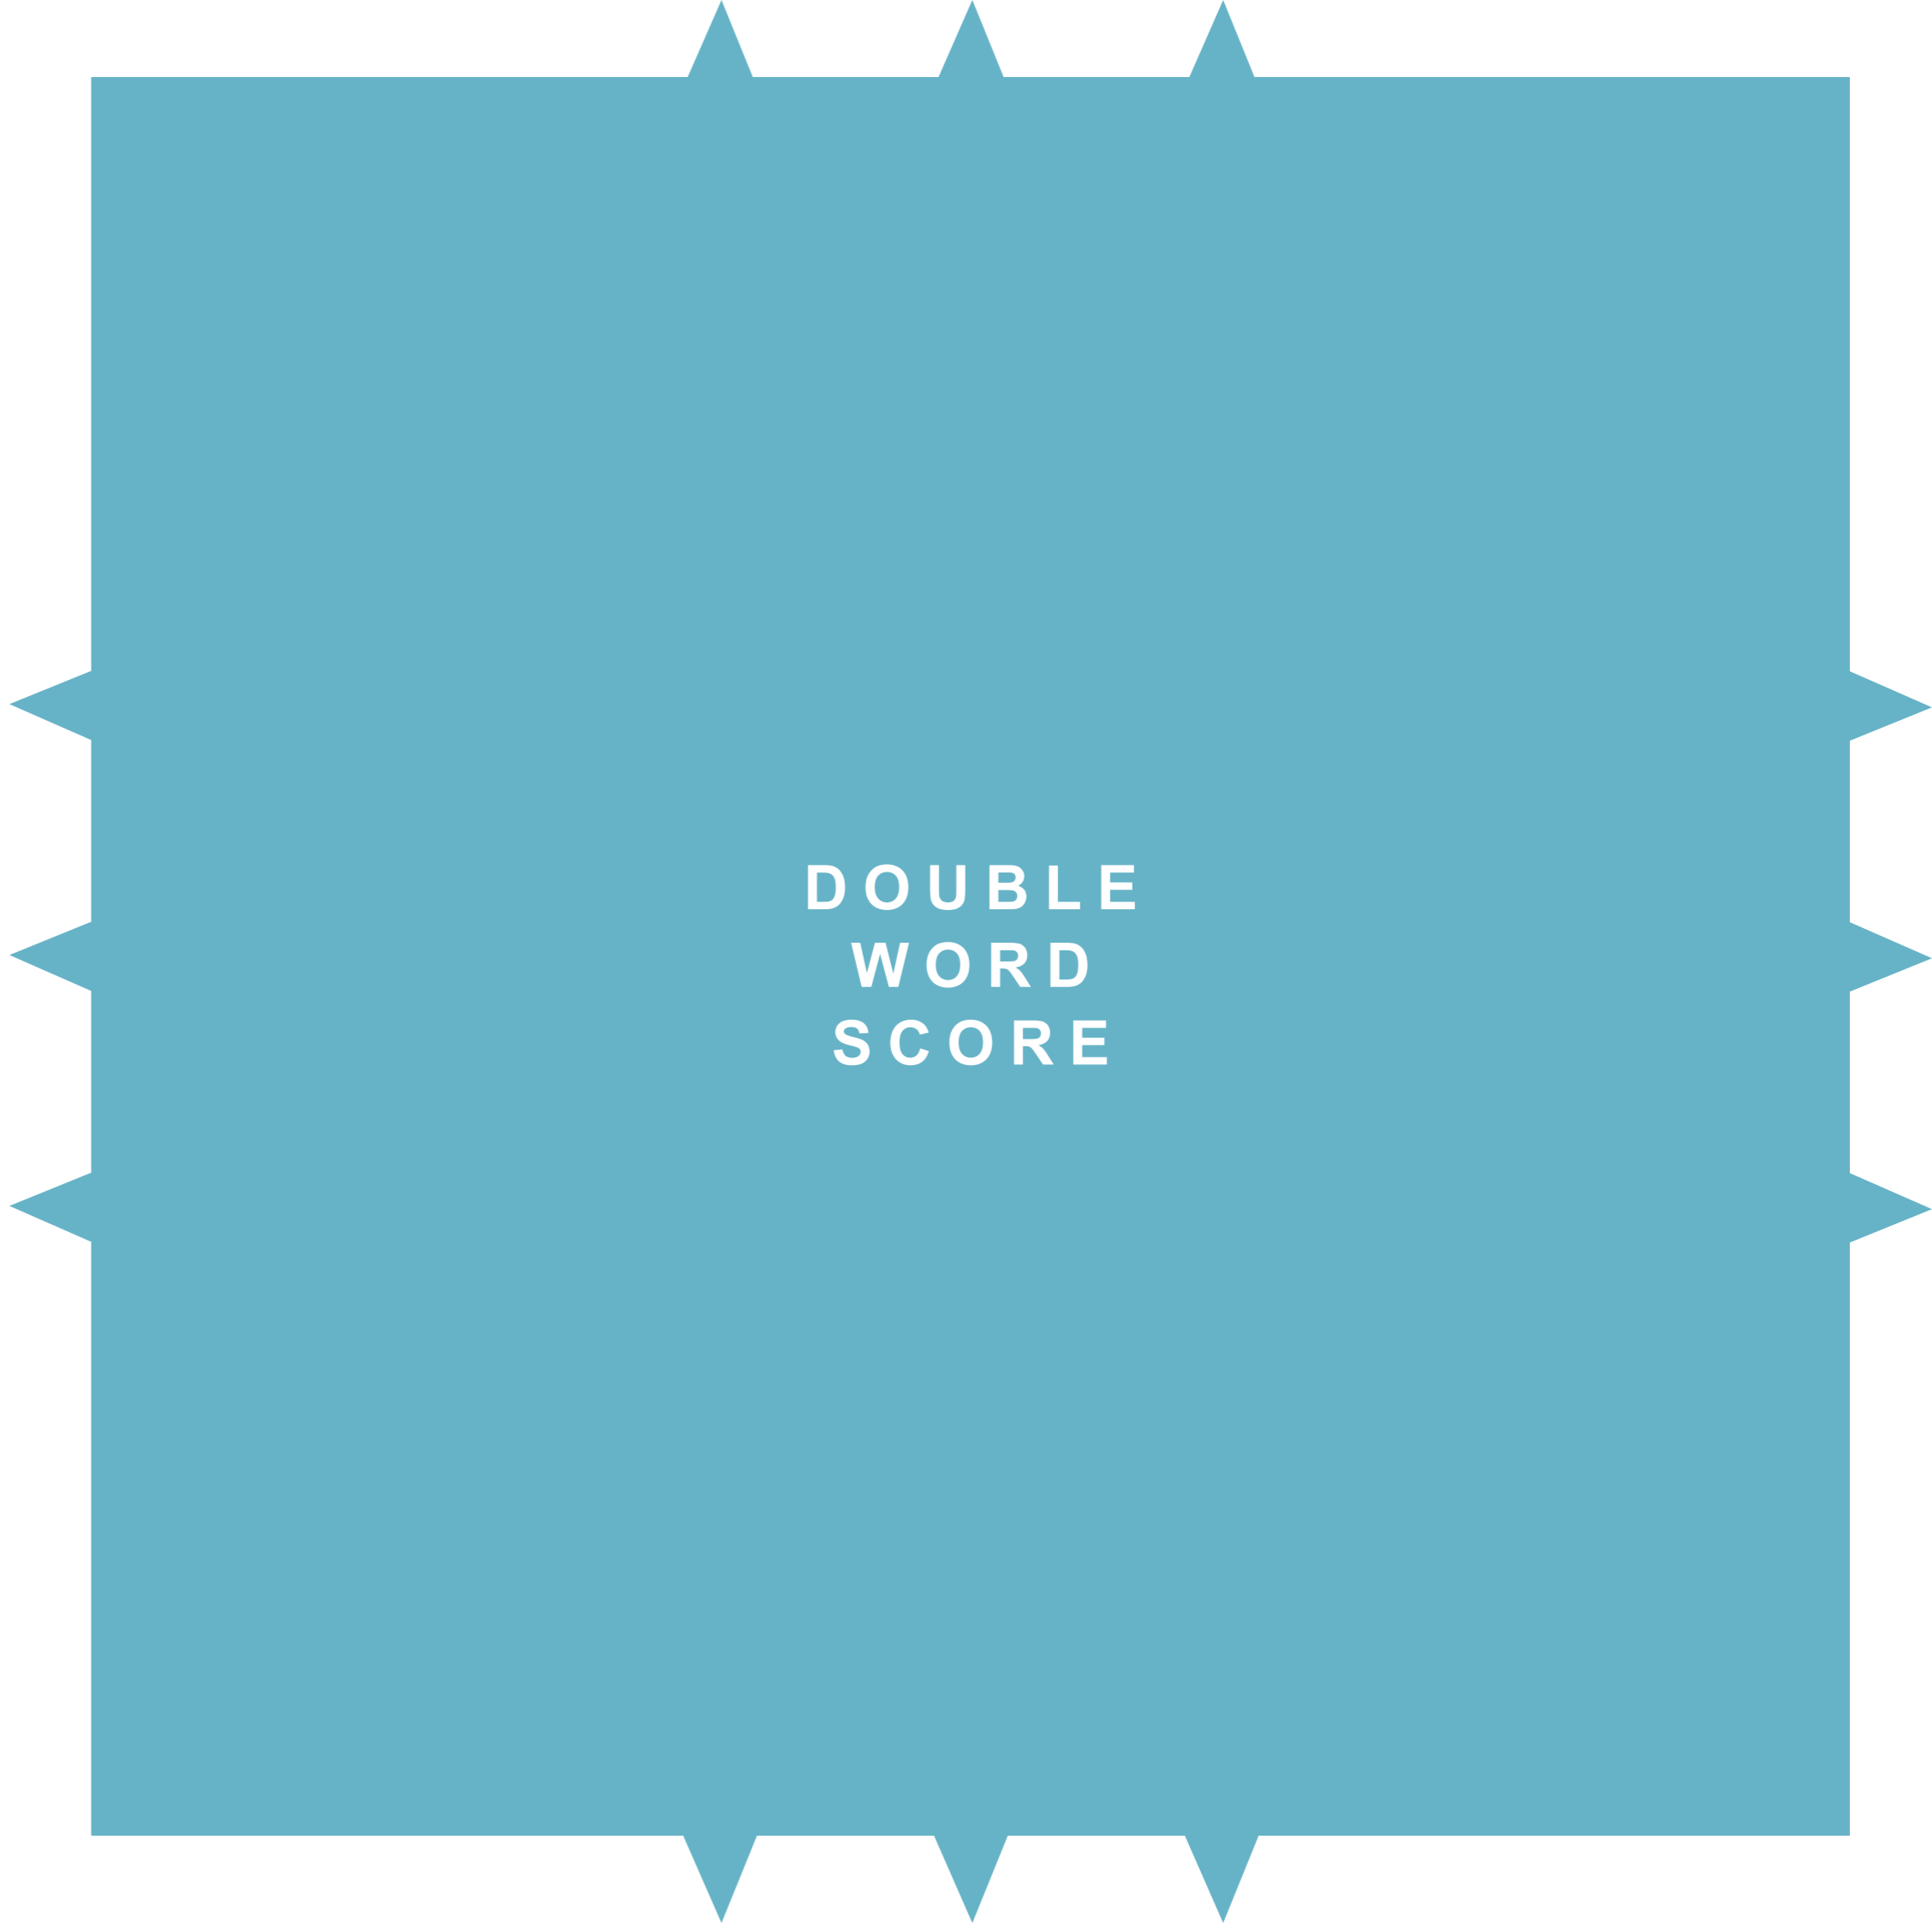

PAPER EDITION OF 195 24" x 16" £395

Mr Kuu is multilingual and loves anything to do with language and communication. His scrabble scores are legendary amongst his friends, and he has a penchant for those long words. But on this occasion, three little words say it all – a triple word score?
