

Mark Spain

A TIME TO DANCE

Mark Spain is one of the UK's most distinguished contemporary artists. His *distinctive* use of strong, dark colours and *dramatic* dance postures give his work a drama and *beauty* that makes them stand out from his *contemporaries*.

This quartet of solo dancers is a stunning example of Mark's unique ability to create energy and movement. His painterly approach, using layer upon layer of brushstrokes, creates a tapestry of textures that brings each figure to life with intensity, emotion and flair.
