## SETTING THE SCENE FOR A BEAUTIFUL CHRISTMAS

Step into a Winter Wonderland with our 2021 Christmas collection. Showcasing outstanding new artwork from all your favourites including Doug Hyde, Fabian Perez and Henderson Cisz, we have created a treasure trove of unique and memorable pieces to inspire you throughout the festive season.

Beautiful, provocative, engaging, amusing... a new piece of artwork on the wall can be a fabulous way to introduce joy, interest and atmosphere into your home in the run up to Christmas. It can also be used to shape the character of a room; an exotic landscape or stylish abstract can be the ultimate shortcut to sophistication in any setting, while if you want a vibrant talking point then a well-chosen piece of street art can energise your living space and raise your mood not only at Christmas but every day of the year.
