

HOMAGE
to Van Gogh
MR. BRAINWASH

**“I’M LOOKING AT THE PAST AND
I’M TAKING FROM THE PAST, BUT
I’M ALSO BRINGING SOMETHING
NEW BACK TO GIVE IT ANOTHER
WAY OF BEING. BUT ALWAYS WITH
APPRECIATION AND RESPECT.”**

(Mr Brainwash)

LIMITED EDITIONS

Van Gogh's starry skies and expressive brushwork become the backdrop for a series of visual surprises in this spectacular collection of limited editions. Pop art motifs, graffiti elements and unexpected cultural references appear within the familiar scenes, bringing together history, humour and high-energy creativity in classic Mr Brainwash style.

REFRAMING THE MASTERS: A CONTEMPORARY INTERVENTION

In this latest body of work, Mr Brainwash revisits the visual language of Vincent van Gogh and other canonical figures, recontextualising their imagery through the lens of contemporary pop culture.

The collection operates as both homage and disruption: historic compositions are reimagined with bold colour, graphic interventions and unexpected juxtapositions, creating a dialogue between past and present that is at once celebratory and subversive.
