

An abstract painting with a textured, layered appearance. The color palette is dominated by warm tones: deep reds, oranges, and yellows, with cooler accents of teal and dark blues. The brushstrokes are visible, creating a sense of movement and depth. A large, solid black circle is centered on the page, serving as a backdrop for the title text.

SIMON KENNY

Through its extraordinary beauty and radiance, the work of Simon Kenny encourages us to embrace abstract art. Each exhilarating statement piece takes us on a personal journey into a luminous world of colour, motion and emotion which both soothes our mind and inspires our spirit. His aim is for the viewer to connect personally with each composition – to be reminded of a place they once knew, or visited by an unexpected moment of emotion.

“EVERY DAY MY WORK IS A DIRECT REFLECTION OF MY MOOD. BECAUSE MY PERSONALITY IS A BIG PART OF WHAT I PAINT, I DO BECOME INCREDIBLY EMOTIONALLY CONNECTED TO MY WORK, ALMOST TREATING IT AS THOUGH IT’S A LIVING THING.”

The background is a vibrant, abstract painting with thick brushstrokes in shades of orange, red, blue, and brown. A large black circle is positioned in the center-right, containing a dark space scene with a few white stars and a small red planet. The text "LIMITED EDITIONS" is written in white, bold, uppercase letters across the black circle.
