WHILE OUR EYES ARE DRAWN TO THE BUSY HARBOUR SCENE OUTSIDE THE WINDOW, THE CENTRAL CHARACTERS IN THESE IDYLIC INTERIOR PIECES ARE MORE INTERESTED IN TAKING IT EASY...

A new collection of editions from multi-award-winning British artist Rebecca Lardner is always great news, guaranteed to bring a welcome element of warmth and humour into our artistic lives. Her much anticipated spring

release focuses on coastal life, but rather than harbour scenes she has given us a pair of captivating interiors with a classic fishing village outlook as the backdrop, and has placed her much loved pets front and centre.

ANGEL AND DEMONS

THE CONNOR BROTHERS

EXCLUSIVE NEW HAND-PAINTED EDITIONS

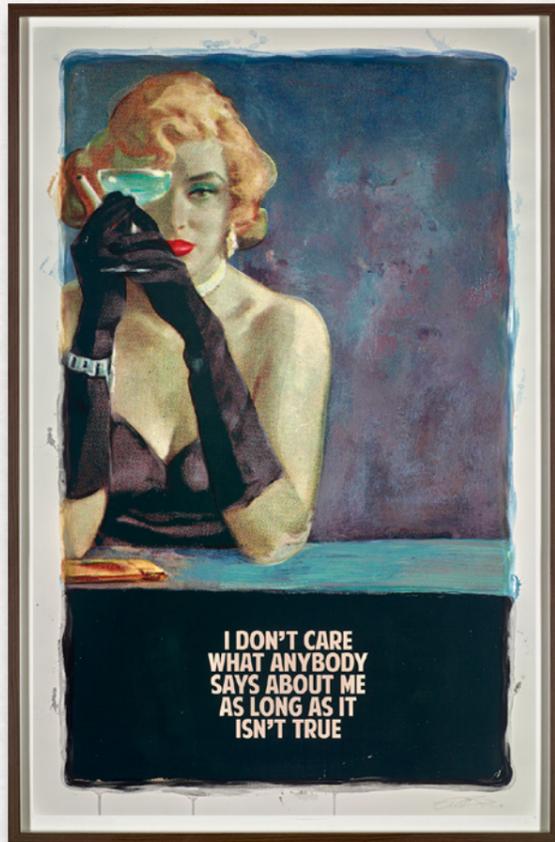

This collection comprises 11 pieces, each in an edition of 10 spectacular, large-scale copies; every individual piece is hand painted in a different colour, rendering it unique. Featuring the classic Connor Brothers theme of retro book cover art,

the collection presents us with a series of women who walk the walk and talk the talk, and who have plenty of advice to offer - but is that advice good or bad? That depends on whether the source is angelic...or not.
