MOSAIC OF LIFE

MOSAIC OF LIFE

With this exuberant collection of signed limited editions, illuminated wall art and sculpture, Yuvi redefines the art of the street in his own distinctive language.

Yuvi has a gift for communication which is bound up with his love of colour, his positive personality, and his warm-hearted attitude to the people around him. The animation and vibrancy in each of his works takes us straight back to the streets which inspired them and has won him exhibitions and admirers in places as diverse as New York and New Delhi.

LIMITED EDITIONS

Each image features one of the world's most beloved icons, taking centre stage in a world where pop art and pattern, playing cards and patriotism create a controlled explosion of colour.
